

SEKCIJA ZA KLINIČKU FARMAKOLOGIJU SRPSKOG LEKARSKOG DRUŠTVA

Profesor dr **VIKTORIJA DRAGOJEVIĆ-SIMIĆ**, dr sci med,
Specijalista kliničke farmakologije
E-mail: viktorija.dragojevic-simic@mod.gov.rs

Dr Viktorija Dragojević- Simić je redovni profesor na Medicinskom fakultetu Vojnomedicinske akademije Univerziteta odbrane u Beogradu. Diplomirala je na Medicinskom fakultetu u Beogradu 1986 god., magistarsku tezu odbranila 1991, a doktorsku tezu 2001. god. iz oblasti farmakologije. Specijalizaciju iz kliničke farmakologije završila 1995. god. na Medicinskom fakultetu u Beogradu.

Načelnik je Centra za kliničku farmakologiju VMA u Beogradu od njegovog osnivanja 2005 god. Na Medicinskom fakultetu VMA je izabrana za redovnog profesora 2013. god. za oblasti farmakologija i klinička farmakologija, a učestvuje i u realizaciji akademskih specijalizacija iz farmakokinetike i racionalne farmakoterapije, na modulu iz farmakologije i toksikologije na doktorskim studijama, i kao mentor na zdravstvenoj specijalizaciji iz Kliničke farmakologije.

Predsednik je Komisije za lekove VMA od 2011. god., zamenik predsednika Etičkog odbora VMA od 2013. god., a Etičkog odbora Srbije od 2013. god. Ekspert je Agencije za lekove i medicinska sredstva Srbije i član stručne komisije Republičkog zavoda za zdravstveno osiguranje.

Autor je i koautor u preko 200 stručnih i naučnih radova od čega je 34 publikovano u celini u međunarodnim časopisima. Autor je jedne naučne monografije, koautor jednog udžbenika, poglavlja u međunarodnoj monografiji i poglavlja u 7 domaćih udžbenika. Više puta je držala predavanja po pozivu iz oblasti kliničke farmakologije na međunarodnim i domaćim skupovima.

Član je Predsedništva Sekcije za kliničku farmakologiju Srpskog lekarskog društva (SKFSLD) od njenog osnivanja, Evropskog udruženje za kliničku farmakologiju i terapiju, (EACPT), čiji je član Saveta za našu zemlju bila od 2004. do 2009. god., Međunarodnog udruženje farmakologa (IUPHAR) i član Udruženja za unapređenje kliničkih ispitivanja u Srbiji (KLINIS).

Istraživač je na projektu Ministarstva prosvete, nauke i tehnološkog razvoja RS (br. 175093) i 1 projekta Vojnomedicinske akademije (MФBMA/1/12-14). Usavršavala se iz oblasti farmakokinetike i interakcije lekova na Odeljenju za kliničku farmakologiju Medicinskog fakulteta Šova univerziteta u Tokiju 2009. god.

SECTION FOR CLINICAL PHARMACOLOGY – SERBIAN MEDICAL SOCIETY

Prof Viktorija Dragojevic- Simic, MD, PhD, spec in clinical pharmacology
Email: viktorija. dragojevic-simic@mod.gov.rs

Viktorija Dragojevic/Simic M.D., is a full professor at the Faculty of Medicine of the Military Medical Academy, Univeristy of Defense in Belgrade. She graduated at the Medical Faculty in Belgrade in 1986; obtained a master thesis in 1991 and Ph.D. thesis in Pharmacology in 2001. She specialized a Clinical Pharmacology at the Medical Faculty in Belgrade in 1995.

She is the Head of the Centre for Clinical Pharmacology Military Medical Academy (MMA) since it was founded in 2005. She was elected as a full professor in 2013 in the field of Pharmacology and Clinical Pharmacology; she also takes part in academic specialty programs in the area of Pharmacokinetics and Rational Pharmacotherapy, Ph.D. studies of Pharmacology and Toxicology, as well as at the specialty training in Clinical Pharmacology.

She act as a Chair of the Drug and Therapeutic Committee in the MMA since 2011; as a Vice President of Ethics Committee of the MMA since 2013, as well as the member of the Ethics Committee of Serbia. She is the Expert of the Medicines and Medical Devices Agency of Serbia, as well as member of the Commission in the Republic Institute for health assurance.

Prof. Dragojevic-Simic is the author and co-author of over 200 scientific papers, out of which 33 are published in extenso in international journals. She is also the author of one scientific monograph, co-author of one medical textbook, one published chapter in international monograph and 7 chapters in domestic text books. She also gave invited lectures in the field of Pharmacology and Clinical Pharmacology at the domestic and international meetings and congresses.

She is a member of the Presidency of the Section for Clinical Pharmacology of the Serbian Medical Society since it was founded; member of the European Society for Clinical Pharmacology and Therapeutics (EACPT), also as its Council member for Serbia from 2004. to 2009.; International Union of Basic and Clinical Pharmacology (IUPHAR) and she is the member of the Association for promotion of clinical trials in Serbia (KLINIS).

She has worked as a researcher in 1 projects launched by the Ministry of Education, Science and Technological Development of the Republic of Serbia (No 175095) and at the project of the MMA (MΦBMA/1/12-14). Prof. Dragojevic-Simic specialized in the field of Pharmacokinetics and Interactions of Drugs at the Department of Clinical Pharmacology at the Medical Faculty of Showa Univeristy in Tokyo, in 2009.
